Cultivate

The *Cultivate* grant is intended to provide a basic level of support for: a) innovative, experimental and/or pilot work that requires a relatively low level of funding to get off the ground or test an idea; or b) established organizations or programs that are aligned with

Foundation priorities and are working towards increased alignment. Applying organizations should specify a specific body of work within their overall mission that supports McCune Foundation priorities and leverage points over the 12-month period supported by the proposed grant.

Most competitive for this category:

- Work that takes place within a discrete timeframe and is aligned with Foundation priorities and frameworks. (1 - 2 years).
- Start-up non-profit organization or pilot work that could evolve into high impact solutions.
- Established non-profits seeking to pilot or test a new program/idea or building higher levels of alignment with Foundation priorities and other organizations.

Requirements:

- Open-cycle application.
- End-of-year report.
- Grant is for 12-month term with no assurance of additional years of funding.

Amount Range:

- \$10,000 - \$25,000

Focus

Focus grants provide support to organizations that align closely with Foundation priorities and values and demonstrate shared work as a core approach to their work. Applying organizations should specify a body of

work within their overall mission that supports McCune Foundation priorities and leverage points over the 12-month period supported by the proposed grant.

Most competitive for this category:

- Established organizations (**at least 1 full-time staff member or contract position and in existence for a minimum of 2 years**) that have missions and work that are highly-aligned with Foundation priorities and frameworks.
- Demonstrates active collaboration with other organizations (i.e., actions by organization staff actively impacts or supports partner programs or work).
- Seeking to grow an innovative high impact solution (take on organizational risk that cannot happen at a lower funding category) or work to deepen collaborations with other aligned organizations.

Requirements:

- Open-cycle application.
- End-of-year report.
- Grant is for 12-month term with no assurance of additional year of funding.

Amount Range:

- \$25,000 - \$50,000

Lead **NOTE:** Beginning 2022, the **Lead** Grant Category and related LOI process are no longer available. (Only organizations that qualified for Lead in 2021 will be considered for funding in the Lead Category for the near future.)

The *Lead* grant category supports established organizations that are proven to play a supporting role to the broader ecosystem of non-profits by providing critical supports to numerous other organizations in alignment with

Foundation priorities and values. Lead grantees often operate in the background, providing specific, critical programmatic or operational supports to help make other groups more impactful.

Most competitive for this tier:

- Established organizations with missions and work aligned with Foundation priorities that demonstrate shared work and integration with other organizations, and that have been invited to participate in this tier.
- These organizations play a fundamental supportive role within the ecosystems because of programmatic approach, organizational leadership and critical role supporting other non-profits.

Amount Range:
\$50,000 - \$100,000

Requirements:

- Letter of interest.
- Open-cycle application.
- End-of-year report.
- Grant is for 12-month term with no assurance of additional year of funding.

NOTE: On rare occasions when a particular project or organization is deemed to play a highly strategic role in supporting Foundation priorities or initiatives, Foundation staff will make exceptions to some of these requirements.

Organizations seeking smaller grants (offered on a rolling basis) should refer to the [Grantseekers FAQ](#) for instructions on how to submit a request.
